The Directors / Trustees present their report and the financial statements for the year ended 31 July 2018.

STATUS

Southampton Film Theatre, popularly known as the Phoenix (and also referred to below as the Phoenix or the Society) is run in association with Union Films, based in Southampton University's Student Union.

The Society is registered with Companies House (Registration No 1383708) under the name of Southampton Film Theatre, and is a company limited by guarantee and does not possess share capital. Liability of members is restricted to the payment of one pound each in the event of the Society being wound up. The Registered Office address is:

The Phoenix (Southampton Film Theatre), c/o Nuffield Theatre, University Road, Southampton, SO17 1TR.

The website address is: <http://www.thephoenix.org.uk>

The Society also enjoys charitable status and is registered with the Charity Commission (Registration No 276825).

The Phoenix is a member of Cinema for All, formerly the British Federation of Film Societies.

GOVERNANCE

The directors of the company are also charity trustees for the purposes of charity law and under the company's Articles are known as members of the Council of Management. Under the requirements of the Memorandum and Articles of Association the members of the Council of Management are elected to serve for a period of three years after which they must be re-elected at the next Annual General Meeting. Members of the Council of Management are set out on page 3.

PURPOSES AND AIMS

The purposes and aims of the Society, its Charitable Objects, are as detailed in its Articles of Association and form the basis of its registration as a charity. Briefly, they are to encourage the development of film and public appreciation of the medium of film, and to promote the use of film as a record of contemporary life, particularly with reference to Hampshire and the City of Southampton.

ENSURING OUR WORK DELIVERS OUR AIMS

The Council of Management reviews the Society's aims, objectives, activities and risks each year. The review process helps us to ensure that our aims, objectives and activities remain focused on our stated purposes.

The Council of Management has paid due regard to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the Council consider how planned activities will contribute to the aims and objectives they have set.

HOW OUR ACTIVITIES DELIVER PUBLIC BENEFIT

The Society's main activity, who we try to help and our achievements and performance in the year are described in the "Review of Business" on page 2.

All our charitable activities are undertaken to further our charitable purposes, as embodied in our Charitable Objects, for the public benefit.

REVIEW OF BUSINESS

We have entered our eighth year of operating in conjunction with Southampton University's Union Films and our relocation to the Cinema based in the Southampton University Student Union building, a cinema with DCI-compliant projection and 35mm facilities. The past year has been one of further consolidation with Union Films and a satisfactory situation for the Society.

Working with the Students Union and Union Films

We retain our status as Union Films' 'World Cinema' provider without losing our identity as a standalone film society serving the wider public with an interest in the medium of film in and around Southampton. We have learned to cope with the inevitable, annual change of personnel in Union Films reasonably well and the Union values our community involvement. The recently refurbished venue provides a comfortable environment for film-watching.

A fond farewell

It was with much sadness that we learned in October 2017 of the death of Doreen Hedger, known to most of us as Dorn. Doreen was a long-term Phoenix member and served on Council, resigning in November 2016. Members of Council attended a celebration of Doreen's life in Romsey Abbey.

Delivering our objectives

The membership data below demonstrates that we have maintained good annual memberships, although we have seen a drop in associate memberships and admissions. Our members, including students who enjoy reciprocal membership, continue to benefit from weekly film notes, regular newsletters, involvement in Southampton Film Week, films focused on themes (e.g. International Human Rights, Holocaust remembrance, University's German Festival), and our traditional Christmas event involving a well-received, film-oriented quiz. Once again, there has been a strong demand for 2018-19 annual memberships even before details of the programme were available. In short, the loyalty of our members continues - they value and benefit from a vibrant Phoenix community that enjoys the best of world cinema both affordably and comfortably.

We have recorded a marginal surplus, of £22, substantially lower than last year as expected as a result of increased venue costs. Members of Council continue to monitor the charity's reserves on a regular basis and consider the reserves held by the Phoenix to be satisfactory, recognising possible future events and to adequately cover risks identified in our risk register. The risk register also acknowledges the voluntary nature of our Council, and from time to time we make requests of our membership for additional effort to enable us to continue operating as successfully in the future.

Membership data 2017-18

Membership and attendance figures were as follows (previous three years' figures in brackets):

Yearly memberships:	198 (199, 200, 196)
Associate memberships:	81 (120, 188, 221)
Admissions:	4,115 (4,506, 4,088, 4,480) for a total of 29 (29, 31, 32) films
Average attendance:	142 (155, 140, 143)

Another great year of film – our Film Selection Committee continues to get it right!

The film selection for this past year was warmly appreciated by our members, including our involvement in 'extra-curricular' festivals such as the pleasingly annual Southampton Film Week. Our average audience vote remained encouragingly high at 81.5% which reflects the quality of the choices made by our Film Selection Committee. Our most popular films and our audience reaction percentages were 'The Eagle Huntress' (93%), 'Dancer' (92%) and 'Queen of Katwe' (91%).

Conclusion

We wish to record publicly our thanks both to the Union Films team of volunteers and the management of the Southampton University Student Union, all of whom continue to work hard to make our move to the Student Union Cinema a success. Our thanks are also recorded to the individuals who, as the Council of the Phoenix, have worked so hard to maintain such an excellent record of success this past year. Having concluded that the state of the Company's affairs and the accounts for the year are satisfactory, the directors of the Phoenix recommend acceptance of this report.

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE ACCOUNTS

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and

In the current year, an amount of £nil (2017: £3,000) was transferred from the undesignated general fund to the designated equipment reserve, resulting in a balance in this reserve at the end of the year of £28,750 (2017: £28,750).
